

# Norton Security 2017 free 100%

How long does it take for malware to infect your brand-new computer? If you use free or other inferior security software, maybe not long at all. Let get Norton Security 2017 for free

Cybercriminals are more sophisticated than ever before, and they use a diverse arsenal of tools to gain access to your information. Other security products just don't have the resources to keep up with new threats as they emerge.

But Norton products do. As the threats get worse, our products just keep getting better. Our teams of security experts are constantly analyzing new threats and devising new ways to protect your devices from them.

**Norton Security 2017 focus  
exclusively on security**

Our concentrated combination of dedication and expertise benefits our customers. Norton products consistently outperform the competition in independent head-to-head tests,

and only Norton products have won PC Magazine Editors' Choice Award 37 times, including 12 years in a row – more than any other security company.

What does that mean for you? When you buy Norton Security, you're getting one of the best security products on the market today. It's that simple.

If you're looking for **FREE antivirus** and doesn't mind the 90 days trial period, Norton has some really good collection of 90 days trial antivirus. Norton Internet Security 2017, Antivirus 2017 and Norton 360 Version 4 provides powerful protection that lets you email, surf, shop and bank online without worrying about cybercrime or slowing down your PC.

As a person that toys with every single type of antivirus available in the market, I have to say Norton Security is still my favorite. [AVG](#) is probably my second choice not because it is good, probably due to the fact that it is free and doesn't come and with annoying pop ups.

- Norton Security Plus solutions are the fastest and lightest security solutions you can buy.
- Whether you are using Windows XP, Windows Vista, Windows 7 or even a Macintosh, Norton is right for you.
- Norton is the market leader in internet security with integrated products that work seamlessly so you can surf, shop and play online with confidence.
